

3.

are all going to Bucklebury the following Sat Feb. 6th  
for Andrew Bennetts "coming of age"  
party. I think that is the last of your  
generation. Only weddings for Cathy and  
Andrew to come.

We are pleased you are happy at spending  
some time with Hilary. I'm sure she was glad  
too. Have only had a card since she was here  
only real news - Hugh has been promoted  
to a manager for the firm he is working  
for / free the Petrol retailer and commission  
He has a lot of work left by his predecessor

Sorry you weren't around when we party.  
We were getting a little alarmed at the news  
we were getting about the snow, ice and gales

Glad Hugh's book is being so well received  
must be gratifying for you as well - expect  
some of the Rudas subs off on you. It was  
nice to hear Hugh's voice at least.

We had a card from Debbie - wasn't sure  
of her plans - whether to come before or after  
the baby. Debbie doesn't say this / but I have  
an idea that she and Peter would like to get  
to Wakefield Hosp. Hope they do / would so like  
her to know her that close. She enjoyed  
her week end with you. We are getting a little  
bored about part binding with out marriage
